RE: Public Records Request

Dear Ms. Lipton:

On February 20, 2019 the City received your request for City records, made under the California Public Records Act (Gov. Code §§ 6250 – 6276.48) (the “PRA”). In your request you have requested the following:

Materials related to any and all engagement with Axon (formerly known as TASER International, Inc.). These materials could be related to weapons, record management, software, video and cameras, unmanned aircraft, or any other Axon offerings and products. This includes, but is not limited to, the following records:

- Marketing: marketing materials from Axon (or TASER) – unsolicited, requested, or otherwise – related to past, present, or future products that may or may not be in use by this agency
- Agreements: any and all contracts and agreements, including amendments and exhibitions, related to Axon, its services, and its products. Please note that this includes all agreements, memorandums of understanding, and written or verbal agreements between this agency and the company, regardless of whether or not any financial compensation or stipulations were/are involved. This also includes any nondisclosure agreements.
- Bidding: Requests for Proposal (or similar calls for bids), licensing agreements, documentation of selection, sole source or limited source justification and approval documentation, and other memoranda and documentation
- Financial: purchase orders, invoices, or any other financial records related to this agency’s use of any Axon product or service.

---

- Policies: any policy directives, guidance documents, memoranda, training materials, or similar records governing the use of any Axon product or service that has been used or in use by the agency
- Company relations: records related to meetings or follow-up actions with Axon or any entity operating on its behalf or as its representative
- User guides: materials related to the function of any service or product provided by Axon, including emails, handouts, PowerPoint presentations, advertisements, or specification documents.
- Training: training materials – either internal or external – governing the use of any Axon product or service.
- Data guidelines: any materials or agreements guiding or regulating the use, sharing, or access to any related data collected by or provided to any Axon service or product

*In Response:*

City staff has finished reviewing the additional records relating to the marketing and company relations requests. Please see attachments labeled Emails (1) – Emails (11) with redactions pursuant to Government Code 6254(b) and Government Code 6254(c).

Sincerely,

A handwritten signature in black ink, appearing to read "Angela Stover", is written over the word "Sincerely,".
